

The Boatman of Pitnacree

Reel

The Boatman of Pitnacree: was first published in a pipe setting in Donald MacDonald's *Collection of Quicksteps, Strathspeys, Reels & Jigs* in 1828. There are a number of later versions but old Donald's is still probably the best way of the tune. Pitnacree is on the Tay, about four miles north east of Aberfeldy.

Alex Hutcheon of Ellon, a little known picture of a leading teacher and formative figure in the earliest pipe and drum bands in Govan in the 1880's
