

Highland Donald Kissed Kitty

Strathspey

Highland Donald Kissed Kitty: There is a version of this in David Glen’s *Highland Bagpipe Music* in two parts entitled “Marry Kitty or Highland Donald (The tune for Seann Triubhas)”. The tune appears in the fiddle collections under the “Highland Donald Kissed Kitty” title from about 1840 onwards, and this is the name Hector MacAndrew used for it.

Highland Donald Kissed Kitty—a stylish illustration of the old proposition ‘come under my plaidie’
