

Miss B. B. Jardine: I found this in an old book of pipe tunes arranged by Jimmy Shand which I bought as a child. It originally appeared in David Glen's *Edinburgh Collection*. Jimmy Shand's repertoire was full of pipe tunes: 'The Atholl Highlanders' was the opening track on his very first recording issued by Regal-Zonophone (MR1387) and recorded at the Abbey Road Studios in London. Many more were to follow.
