

The Pibroch of Bonnie Strathearn: This is attributed to “D. Kippen”, and it was published first in *Kerr’s Caledonian Collection*. I have played it for years and think it is one of the nicest little 6/8 marches.

Piper, play the light strathspey

Piper, play the light strathspey: I heard this played by country dance bands; it is set here for the pipes for the first time; it might suit a pipe band looking for a good going little strathspey.
