* The 1st Var. differs from the Ùrlar by the occasional substitution of the high A or "Thumb Note" for one or more notes of the Ùrlar. This Variation is shown by the A note superposed above the note of Ùrlar which it supersedes, viz the F note.

* §. Dal Segno or Al Segno, is a sign of repetition which means, return to some point at which the sign § has already been placed, and play again to the Double Bar, over which a pause ☞ is placed. This pause marks the end of the Var. or piece.
